Confirmation of Insurance

Dear Ms Hughes

We would like to take this opportunity to thank you for arranging your insurance through Brian Mullins Insurance Brokers. Your Insurance fee includes premium, administration fees and Government Levies as detailed on your Certificate of Insurance.

It is important that you read your certificate of insurance, the endorsements applicable and the policy wording, and adhere to any terms and conditions contained therein. Please check that the certificate of insurance shows all the treatments/activities provided, as you will only be covered for those shown.

It is a condition of this insurance that in the event of a claim you will be required to submit a copy of your qualification certificate(s) before your claim can be dealt with.

If a complaint is made against you it is in your best interest to notify us immediately on 071-9141030.

Cancellation: Please check your policy documents to ensure that cover is in accordance with your requirements. If you find that the policy is unsuitable for your requirements, you have 30 days from the date of inception to cancel. Provided that no claims or incidents have been reported, you will be given a refund less the administration fee. In the event that the policy is cancelled, no cover will be in force. Due to the nature of the insurance after 30 days no refunds can be given and the policy will remain in force for the 12-month period.

At Brian Mullins Insurance Brokers, we have competitive rates for all types of insurance and we would welcome the opportunity to quote for any other insurance policies that you may have. We look forward to insuring that your interests are covered.

Please note that it is our intention to issue all future correspondence by E-mail.

Yours Sincerely,
Katie McKinney
